

AISIN NORTH AMERICA

Total Employees: 13,419
Annual Global Payroll: \$740.6 mil
Total Investments: \$3.1 bil

Aisin Seiki was established in Japan in 1965 and today is a \$27 billion global Tier One supplier of parts and technology to virtually every OEM on the planet.

Aisin began operations in the United States in 1970, and today, with more than \$3.1 billion in capital investments, and nearly 13,500 associates, the company has sales of more than \$4.8 billion.
